Forward

A record of existing and readable footstones and headstones as at March 2008

The headstone provides a genealogical record of names, dates, age and relationships of people etc

A footstone shows the deceased's initials and year of death. I have included them where the headstone is missing or unreadable

Gravestone Inscriptions by location

The churchyard has been split into 4 areas

- 1) South of church door, and finishing North wards
- 2) East, 1st fenced burial area behind the Church
- 3) East, Furthest fenced burial area behind the Church
- 4) North-east, behind the Brick Outhouse, modern area
