### Forward

A record of existing and readable footstones and headstones as at March 2008

The headstone provides a genealogical record of names, dates, age and relationships of people etc

A footstone shows the deceased's initials and year of death. I have included them where the headstone is missing or unreadable

### Gravestone Inscriptions by location

From the left side of Church path, next to metal gate, and moving clockwise around the back of the Church

Does not include the Modern area, left side behind Church
